

Black Cat Homes Ltd are proud to present to the market, the exclusive pre-release of two individually designed, executive residences to be built by Black Cat Homes Ltd. Enjoying a long standing reputation in the community of East Yorkshire, Black Cat Homes prides itself on the development of quality housing with a high attention to detail. These bespoke properties offer a potential purchaser the opportunity to secure a choice of two highly specified homes, located within an attractive setting.

Conveniently located off the desirable Hull Road in Cottingham, these luxury properties offer a commitment to well planned and stylishly designed living spaces, with the highest of internal specifications. We have embraced a philosophy of providing lifestyle, location with a flexible and functional internal layout to provide a home of broad appeal for prospective purchasers.
